CAREER SUMMARY:

A proficient software developer with 2.7 years of experience specializing in Java, JSP, Redis and Oracle Database. Skilled in utilizing frameworks like Jersey REST to design and implement RESTful APIs and MVC architectures, delivering efficient and maintainable software solutions.

SKILLS:

- Java Technology : Core Java, Advanced Java, Microservices, Collections, Streams
- Frameworks : Customized Java Framework, Spring, SpringBoot
- Programming Language : Java, Python
- Databases : Oracle SQL, MySQL, SQL Server, Redis
- Development Tools : IntelliJ, DBeaver, Git, JIRA, Postman, WinMerge, WinSCP
- Scripting Language : Ajax, jQuery, JavaScript
- Application Server : Apache Tomcat

WORK EXPERIENCE:

Fable Fintech (Mumbai) June 2025 – Present
Software Developer

- Developed and integrated third-party APIs to enable person-to-person cross-border remittance payments for the India–Australia corridor.
- Worked on real-time currency conversion by integrating APIs to fetch the latest exchange rate quotes, and performed AML (Anti-Money Laundering) checks on cross-border transactions to ensure safe and compliant payments.

Receivables Exchange of India Ltd (Mumbai) Oct 2022 – Feb 2025
Associate Software Developer

- Developed new features and extended back-end capabilities to improve and optimize existing platform code, enhancing overall system performance.
- Performed code reviews, managed code merging, and deployed code across various testing environments to ensure consistent quality and functionality.
- Integrated Redis database into Java applications using the Jedis library to improve performance and scalability.

RELEVANT PROJECTS:

- **Automated Bidding System:** Designed and implemented an automation feature enabling users to place bids without manual intervention. By configuring bidding parameters through a form, users achieved a 30% reduction in manual effort, enhancing efficiency and user experience.

EDUCATION:

2015 – 2016 | Maharashtra State Board
Secondary School Certificate Percentage: 81.00%

2017 – 2018 | Maharashtra State Board
Higher Secondary – Science and Mathematics Percentage: 80.46%

2018 – 2022 | University Of Mumbai
B.E in EXTC Engineering CGPA: 8.83/10

CERTIFICATION AND ACHIEVEMENTS

- Above & Beyond Award in the Technology Team 2023–2024
- Java Concurrency : Multithreading with Exercises – 2025 [Link](#) 2024–2025
